July 15-23

Westwood and Sunrise Baptist
with E3 Partners Ministry

Church Planting
Children's Ministry
Aids Education
Eye Clinics
Evangelism & Discipleship

The team will be going to Macas for the first ever church planting trip to that city. We will be working with pastors and church members from the Macas area who desire to start churches in neighborhoods with no evangelical church. We will work side-by-side with church members to conduct evening Bible studies and children's meetings, go door-to-door to share Christ and disciple new believers. We plan to hold eye clinics and do AIDS education in those neighborhoods also.

Our team will be well-trained in the months before the trip in all the things we will be doing while on the trip. Each person will be provided with a translator, so you do not need to know Spanish to participate.

The cost of the trip is \$2400 contingent on airfare; however, do not be afraid of the price. God always provides. This price covers everything except souvenirs you wish to buy and a couple of travel day meals. The price helps with Bibles and materials for the new churches also.

We will supply sample support letters for you. A passport is needed for the trip and should be applied for asap. Apply online www.goe3.net. For more information, please contact Sam Neugent at 835-7266, sam.neugent@e3partners.org or Liz Gordon at 701-7000, liz.gordon@e3partners.org.
