

Come see what God is doing in....

São Paulo, Brazil

Friday through Sunday

September 2 – 11, 2011

We will be in the heart of **São Paulo**, the second largest city in the world and the capital of the state of São Paulo. It was founded by Jesuits in 1554 on a plateau 2,493 feet above sea level, but only 45 miles from the coast. It is the industrial and financial center of Brazil generating over 30% of the gross national product.

The climate: The weather while we are there should be daytime high of about mid 70's and nighttime low of about mid 50's.

Our mission: Each day you will partner with local believers to share the gospel in the community in exciting and creative ways. You will be helping either to start a brand new church or strengthen an existing one.
